Dear Rabbi Leffler:

The entire camp family wishes to extend to you its heartfelt thanks for your most generous contribution to the Goldman Union Camp Institute Development Fund. It is support like yours which enables us to provide the high quality Judaic programming so needed by our youngsters.

Your contribution links you in a very direct way with the education of future generations of Reform Jews. Through the development of our facilities, we hope to be able to better provide for our campers and also to become a dynamic Jewish center for this area throughout the year.

Once again, thank you for your support and participation in the realization of many dreams.

Sincerely,

Ronald Klotz,
Director

Jerry Litwack, Chairman
