

## Lesson Plan 5, 6, & 7: Collaborative Work

Name: Allison Gant

Date of Lesson:

Ages of Students: High School seniors

Number of Students: 30

Length of lesson: 1 day, 1 hour

Lesson Title: Collaborative or Teamwork

Focus Standards:

RI 7: Integrate and evaluate multiple sources of information presented in different media or formats (e.g., visually, quantitatively) as well as in words in order to address a question or solve a problem.

W1: Write arguments to support claims in an analysis of substantive topics or texts, using valid reasoning and relevant and sufficient evidence

Objectives/Learning Targets: Students will work in groups to find sources, learn more about their chosen aspect of Jewish life, and learn about how this practice has changed over time.

Length of Lesson: 3 days

**Lesson to be conducted where students can have access to a computer**

Day 1: Get into collaborative teams, pick topic, begin research

Day 2: Continue research

Day 3: Compile presentation
